

How do I find a Geographic Comparison Table for Counties within a State?

Enter a Geography in Quick Start

- Type the name of a geography in the geography textbox in [Quick Start](#).
- Click "GO."

Select a Geographic Type

- Expand Product Type and Select [Geographic Comparison Table](#).
- Expand [Compare Geography](#) under Topics.
- Expand [Child Geographic Type](#).
- Select [County](#).

Select a Table to View

- Your [Search Results](#) are updated to include only GCTs that are [State by County](#) comparisons.
- Select the checkbox next to one or more tables and click "[View](#)." You can also click on the hyperlinked title of a table to view a single table.
