13.	If FEMA funded, brief description of the status of the project worksheet and its support.	N/A	
14.	Quarterly Activities/Project Description (include number of visits to meet with recipient and sub recipient, including who you met with, and any site visits warranted to where work was completed)	TA participated in monthly RBD Partner Calls and bi-weekly conference calls with NJ DEP personnel and other Project participants.	
15.	Brief Description to confirm appropriate data/information has been provided by recipient and what activities have been taken to review in relation to the project/contract/program.	In addition to TA's initial request for documents required for analysis of NJDEP's financial, administrative, and procurement processes, the NJDEP has since been placing in our project folder additional documents it believes relevant to our scope of services. TA has supplemented those documents with additional requests as needed, all of which have been complied with. Thacher Associates has reviewed those documents to compliance with CDBG-DR laws, rules and regulations.	
16.	Description of quarterly auditing activities that have been conducted to ensure procurement compliance with terms and conditions of the contracts and agreements.	Thacher Associates' activities included a thorough review of NJ DEP administrative costs versus project administration costs, followed by discussion of findings with NJ DEP. Adjustments made by NJ DEP were reviewed and Thacher Associates drafted a memo to DCA re same. Thacher Associates also continued reviews of CMF invoices and initiated an audit plan to spot test compliance with CDBG-DR laws, rules and regulations including SIROMS Section 3 reports and URA Section 3.17 for both projects.	
17.	Have payment requisitions in connection with the contract/program been reviewed? Please describe	During the period covered by this report, Thacher Associates reviewed monthly invoices submitted by the CMF. Specifically, we reviewed invoices 11, 12 for the Meadowlands Project and 14 for the Hudson River Project. No issues were noted.
